By submitting this work, I declare it is all my own work. I have not colluded with others, re-submitted past work of my own, submitted any work done by others or by Generative AI unless indicated, or otherwise breached the University academic integrity rules. I understand that any discrepancies between this declaration and the assignment could result in an academic malpractice procedure. Read the full University of Leeds declaration of academic integrity here https://secretariat.leeds.ac.uk/wp-content/uploads/sites/109/2022/12/academic_integrity.pdf	YES
I have applied for an extension but have not yet heard back on whether it is granted. I am submitting this paper in the knowledge that I may request to submit a later version when I hear back from the extension team. Markers should be aware that this may not be my final version of the assignment.	NO

Assignments should be submitted in time but will be accepted (with late penalties) up to 14 days after deadline

Late penalties = 5 marks per 24hours late
